Nestled on a quiet cul-de-sac in the heart of Woodbury, this spacious and thoughtfully designed home offers impressive scale and comfortable everyday living. A dramatic two-story foyer and great room welcome you inside, where warmly stained wood floors set the tone for the main level. The floor plan features a versatile flex room, an elegant dining room with bay window with updated lighting, and a private office perfect for working from home or easily functioning as a main-level bedroom. The expansive great room showcases a fireplace and oversized windows that fill the home with natural light, opening seamlessly to the informal dining area and large kitchen. The kitchen is designed for both daily living and entertaining with cherry-stained cabinetry, quartz countertops, stainless steel appliances, and a generous walk-in pantry. Convenience continues on the main level with a well-organized mudroom featuring a bench and built-in drop zone, along with a separate laundry room. The upper level offers four bedrooms and a full bath, including an oversized primary suite with tray-vault ceiling, spacious bathroom with dual vanities, Jacuzzi tub, separate shower, and a large walk-in closet. The finished lower level provides exceptional entertaining space with a recreation area, separate media room for movie nights, game space, finished storage, a 5th bedroom, and a bath. Additional highlights include a heated 3-car garage.
